# Silva.

## Inspired by the lofty trees of the forest, Silva...

Designed to bring the peace and coolness of the forest to your living spaces, Silva Sofa Group offers minimalism in the most natural form of design. The comfortable sitting of Silva, which evokes the feeling of wood but also saves the trouble of wood, is supported by the cushion option, allowing you to spend a long time outside. The sofa group, which is offered in 3 different colors, consists of 4 pieces, 3 sitting units and 1 coffee table.

# Ivy.

## Design and compactness...

The Ivy table leg, bearing the signature of Kilittaşı Design, offers functionality and elegance together. Designed with inspiration from the spreading nature of ivy, Ivy leaves the choice to you with its stylish design as well as its adaptable structure to different table sizes. The legs, which consist of two parts, become adaptable to tabletops of different sizes by opening the distance between them. Thus, Ivy can adapt to the changes that occur in the long term.
